## Notes

1. The only churches at present in communion with the Church of England are other Anglican Churches and certain foreign Churches.
2. Membership of the Electoral Roll is also open to members in good standing of a Church not in communion with the Church of England which subscribes to the doctrine of the Holy Trinity where those members are also prepared to declare themselves to be members of the Church of England.
3. Every six years a new roll is prepared and those on the previous roll are informed so that they can re-apply. If you are not resident but were on the roll as an habitual worshipper and have been prevented by sickness or absence or other essential reason from worshipping for the past six months, you may write “would” before “have habitually attended” on the form and add “but was prevented from doing so because” and then state the reason.
4. If you have any problems over this form, please approach the clergy or lay people responsible for the church, who will be pleased to help you.
5. Data Protection and Direct marketing. We undertake to use your contact information only in relation to church, parish or diocesan matters (i.e. services at the cathedral, the bishop writing to all congregations etc.) and to keep that information secure. Your information will never be shared with third party organisations. You retain the right to change your mind at any time. Your data will be stored on the parish administration computer, which is kept in a secure place. If you tick ‘Private’ on the reverse side of this form, your details will not be divulged to anyone without your prior permission.
